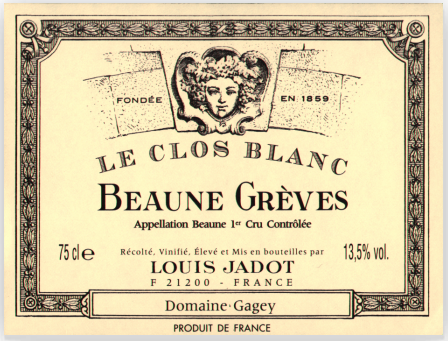
LOUIS JADOT

Beaune Grèves Le Clos Blanc

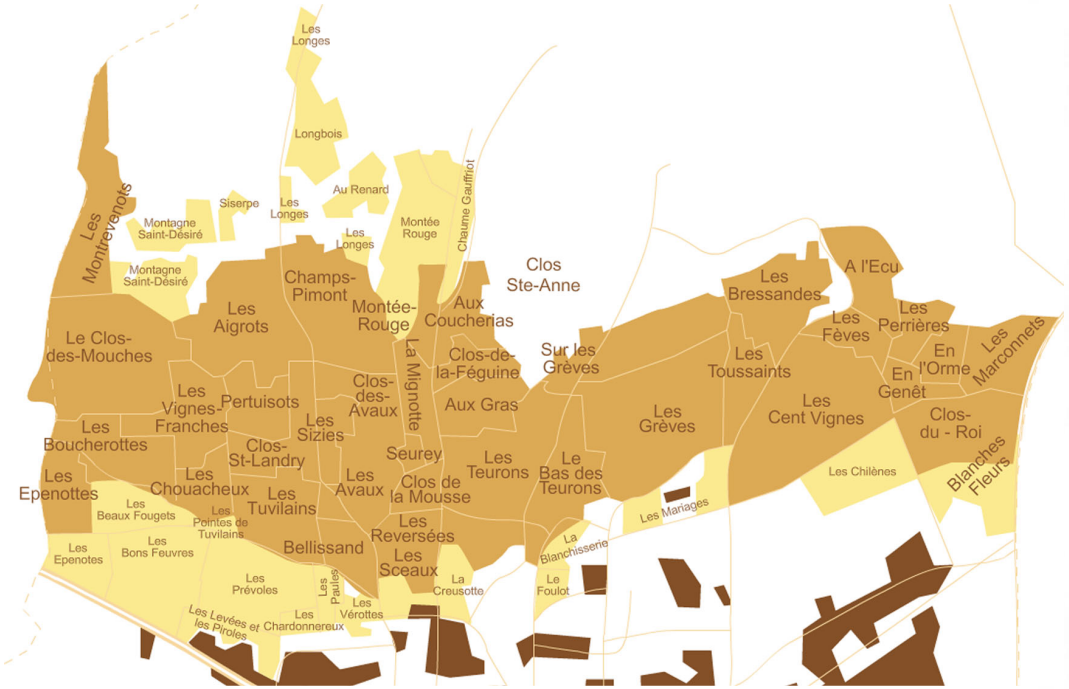


Côte de Beaune

Premier Cru

White

100% Chardonnay Grapes



Vineyards situation

Beaune vineyards are the most extensive of the Côte de Beaune, between Savigny to the North, and Pommard to the South. There are no Grands Crus vineyards in this commune, but 36 Premiers Crus.

Characteristics

"Les Grèves" is situated in the North between "Les Toussaints", "Les Bressandes" and "Les Theurons". In French, "Grèves" means sandy, small stones, which describes the soil of these vineyards.

Wine making

This wine is fermented in wooden barrels like all the Louis Jadot white wines, and then aged in barrels for 14-18 months before bottling.

Winemaker's comments / Gastronomy

This unusual rare and rather exotic white wine is full, rich and spicy, with broad fruit flavours and exceptional depth offset by notes of almonds, earth and gently toasted oak.

This wine can be drunk with fish in white sauce, shellfish and delicatessen.

Preservation

This wine has the potential to age a minimum of 7 years in good cellaring conditions (temperature - humidity).
