

CHASSAGNE-MONTRACHET LES BAUDINES

Côte de Beaune
Premier Cru
White
100 % Chardonnay

Vineyards situation

Located in the Southern part of the Côte de Beaune, Chassagne Montrachet is one of the 5 villages belonging to the prestigious « Côte des Blancs ». East and South-East oriented, the soil of the Premiers Crus from Chassagne is mainly made of clay and chalk.

Characteristics

Les Baudines vineyard is next to the village of Santenay. It is East oriented on a light and very well drained soil.

Wine making

After a first fermentation in stainless steel tanks, the wine is aged in oak barrels for 15 to 18 months.

Winemaker's comments / Gastronomy

It is an elegant wine with usually a very nice acidity. The very good climatic conditions of 1999 helped this wine to be much more full than usual. The 1999 vintage is ready to be drunk. It will match perfectly an old Comté cheese, grilled fish, poultry, vegetables but also seafood.

Preservation

This wine can be easily be kept 10 years after vintage in good conditions of storage.
