

## CHIROUBLES "DOMAINE DES TROIS PUIITS"

Beaujolais  
Appellation Village  
Red  
100% Gamay

### Vineyards situation

The Beaujolais vineyard is situated in the Southern part of the Burgundy region, after the Côte Chalonnaise and the Mâconnais area. It extends on 22 hectares.

### Characteristics

Chiroubles is one of the 10 'Crus' of the Beaujolais. It covers an average of 400 hectares on a mainly granite soil.

The vineyards are at 400 m high on a poor and acid soil. The domaine has been producing wines for 8 generations.

### Wine making

The Chiroubles from Domaine des Trois Puits will ferment 12 to 20 days in vats.

### Winemaker's comments / Gastronomy

Chiroubles Domaine des Trois Puits is a feminine wine, elegant, with distinctive tannins and very charming with its Lily of the valley and peony.

It will be a perfect partner for charcuteries, Italian foods, poultry and delicate cheeses.

### Preservation

It will be nice and fruity when young and will be able to age 3-5 years as well in good conditions of temperature and humidity.
