

COTEAUX BOURGUIGNONS AOC

Bourgogne
Appellation Régionale
Red
GAMAY - PINOT NOIR

Vineyards situation

The wine originates from both Beaujolais and Burgundy.

Characteristics

Côteaux Bourguignons is a rather new appellation created by the Institut National des Appellations Contrôlées in January 2011.

It is a harmonious and representative blend of our famous grapes, coming from their homeland Burgundy.

Part of them are vinified by our long time growers/partners, and part of them are vinified by Louis Jadot.

Wine making

Grapes are destemmed and then fermented in stainless tanks.

Winemaker's comments / Gastronomy

Very nice colour. A fruity wine, very stylish.

The mouth is full of fruit, very fresh.

With a nice finish.

On its own, with roasted meat, pasta or BBQ's.

Preservation

Supposed to be drunk young, this wine will be able to keep also a couple years after vintage.
