Characteristics

The size of this Climat is 2 hectares. It is located above Champ Fulliot and is South-East oriented.

Wine making

The grapes are destemmed before fermentation. The wine is aged in oak barrels during 15 to 18 months.

Winemaker's comments / Gastronomy

Les Vignes Rondes is a very supple wine, with round and fruity tanins especially in the sunny 2015 vintage.

Some aromas of spices bring a great deal of freshness in teh aftertaste.

Preservation

This wine has a nice aging potential: a minimum of 5 years.
