

MOREY-SAINT-DENIS

Côte de Nuits
Appellation Village
Red
100% Pinot Noir grapes

Vineyards situation

Morey Saint Denis is situated between Gevrey Chambertin to the North and Chambolle Musigny to the South, in the centre of the Côte de Nuits. The vineyard, at an altitude between 250 and 360 metres, is bordering the village of Morey.

There are 5 Grands Crus and 17 Premiers Crus on this small commune.

Characteristics

The vineyard is surrounding the village of Morey, on a slope, facing East. The soil is mainly made of calcareous clay.

Wine making

The fermentation takes place in tanks during 3-4 weeks, after which they are aged in barrel for 10-12 months before being bottled.

Winemaker's comments / Gastronomy

The Morey Saint Denis wine from Maison Louis Jadot is a very elegant wine of red fruits and spices aromas, with smooth tanins.

It will be a perfect partner for red meats and quite strong cheeses.

Preservation

This wine will be able to age easily between 5 to 8 years following the vintage and in good conditions of temperature and humidity.
