Red

100% Pinot Noir grapes

Vineyards situation

The Nuits-Saint-Georges A.C. wines are produced on land delimited by the parishes of Nuits-Saint-Georges and Premeaux-Prissey.

Characteristics

The soils are basically composed of limestone and marl. A perfect exposure to the east gives the capacity to produce splendid wines.

Wine making

This wine is vinified in open vats for 3 or 4 weeks and is then aged in oak barrels for 12 months.

Winemaker's comments / Gastronomy

Maison Louis Jadot produces a deeply coloured powerful, fullbodied Nuits-Saint-Georges of intense colour. It develops ripe, robust fruit flavours and nuances of oak in the bouquet.

It will accompany red wine sauces, marinated or roasted game, medium tasting cheeses.

Preservation

This wine can be kept for 12-15 years in good conditions of temperature and humidity.
