## Winemaker's comments / Gastronomy

The colour is very delicate, plae yellow with some green glints according to the vintages. The nose is very typical of Puligny, with aromas of dried grass, fern and fresh hazelnuts

"Le Cailleret" is very elegant in the mouth, smooth, assez tendre avec une rétro-olfaction d'une grande minéralité.

#### Preservation

This elegant wine can easily age more than 10 years in good conditions of temperature and humidity.
