Characteristics

Clos Rousseau belongs to the best Climats of Santenay. It is South-East oriented in the middle of the slope.

Grapes are destemmed. Fermentation takes place in open vats during 2 weeks. The wine is then aged in French oak barrels for 18 months.

Winemaker's comments / Gastronomy

The Clos Rousseau wines are deep and dense, their color is intense and dark. The 2015 vintage produced very nice and ripe grapes with powerful tanins.

Preservation

Clos Rousseau has a very good aging potential: 10 years and more.
