Chablis

CHABLIS LES CLOS

Grand Cru

Maison Louis Jadot - Chardonnay

LOCATION

"Chablis is in the northern part of Burgundy, half way between Dijon and Paris. The continental climate (very cold in winter and hot in the summer with frosts in spring) and the marly limestone soils combine to mould the unique character of Chablis wines. About 3500 hectares are planted (including 856 ha of Premiers and Grands crus) with Chardonnay.

VINEYARD INFORMATION

7 climats can be called Grand Cru in Chablis : Preuses, Bougros, Les Clos, Grenouilles, Blanchot, Valmur and Vaudésir. Those vineyards are all situated on the right side of Le Serein river, on the hill. This situation gives a strong and full-bodied character to the wine.

VINIFICATION AND MATURATION

After a soft pressing, part of the juice is fermented in "double barrels" of 406 litres produced by our cooperage Cadus. The other part is vinified and aged in stainless steel vats. Aging usually lasts 13 to 15 months on fine lies before bottling.

GOOD TO KNOW

WINE SERVING TEMPERATURE

12-14

AGING POTENTIAL

5 to 10 years, depending on the vintage
